

PRODUCT SPECIFICATIONS

MILITARY / POLICE TACTICAL OVERVEST

OVERVIEW

The IMPERIAL ARMOUR 3001 vest will reduce the risk of fatal injury to the vital parts of the human body, particularly the chest and lungs, against high velocity bullets, minor demolition and grenade fragmentation.

STYLE

- Front, back, side and shoulder protection
- Removable machine washable cover
- Adjustable Velcro closure
- Waterproof and UV proof ballistic panels available
- Full freedom of movement
- Ballistic collar and groin protection

SIZES

It is available in 5 sizes small, medium, large, extra large and extra extra large.

COLOURS

The covers are available in a range of colours including UN Blue, European camouflage and olive drab.

PROTECTION

The vest features a continuous front and rear panel design. Once it has been donned, over the head, the side panels overlap using Velcro fastenings under the arms. This ensures full extent of protection to the front, back and sides of the torso.

A ballistic collar is fitted around the neck of the garment and is shaped to stand erect, encircling the neck without interfering with head movement, gun sights etc.
