

POLICE / SECURITY / TRAFFIC

RAPID RESPONSE VEST

- Protection to NIJ Level II and Level IIIA
- Front and back protection
- Simple Velcro closure
- Adjustable shoulder straps with quick release buckles
- Outer cover in hard wearing water resistant Cordura
- Fully enclosed ballistic panels with Velcro fastening
- Full freedom of movement
- Adjustable side closure with Velcro fastening for a personalized fit
- Pockets front and back for additional ceramic plates

GENERAL PURPOSE VEST

- Protection to NIJ Level II and Level IIIA
- Front, back, side protection
- Simple Velcro closure to sides
- Adjustable shoulder straps with quick release buckles.
- Outer cover in hardwearing Cordura
- Fully enclosed ballistic panels
- Full freedom of movement
- Adjustable elasticised side closure for a personalised fit
- Pockets front and back for additional ceramic plates

FRONT OPENING VEST WITH MODULES

- Front opening vest with plate in back
- 4 point velcro opening to shoulders and sides
- Extreme ballistic coverage to shoulders, front, back and sides
- Kevlar overlaps at front to ensure maximum protection
- Extremely comfortable front opening vest
- Lumber belt for support
- Should the user require plate protection, the quick fit harness system can be used which holds the plates
- Option: Anti-stab - KR1 or KR2 combined with hand gun protection

POLICE OVERVEST

- Protection selectable from Level II to Level IIIA, with multi-hit capability
- Front, Back, Side and option of Shoulder Protection
- Removable machine washable cover
- Adjust velcro closure
- Waterproof and UV proof ballistic panels available, being heat sealed
- Full freedom of movement
- Ballistic collar and groin protection can be added
- Ceramic plates can be added to NIJ Level III and IV Protection

IA SWAT VEST

- Imperial Armour Swat Jacket - Front opening
- Full Body Armour Protection
- Protection NIJ Level II or Level IIIA
- Quick Fit Harness to be used when Plates required

POLICE / SECURITY JERSEYS

- Jerseys for Security Officers & Military Officers
- V neck or crew neck - colours will be matched

CANINE VEST

- Protection: NIJ Level II and level IIIA.
- This vest has been designed for the dog to be able to have full movement
- The lining is antimicrobial to assist with sweat management
- Protection to the back, front and sides

HEAVY DUTY WEBBING BELT WITH EMBLEM

- Heavy Duty Webbing belt for Service Personnel
- Personalize with your company emblem

HI TECH STEALTH BOOT

- Greater Durability
- Higher abrasion resistance
- Moisture Management keeps feet drier
- 3 Density layers for comfort, support and shock absorption.
- Provides stability, flexibility, slip- resistance, traction, movement control, g and support in needed areas

HI TECH CLASSIC BOOT

- Durable and Lightweight
- Moisture Management keeps feet drier
- EVA Midsole increases comfort and cushions heel strike
- Better grip and increases durability

HI TECH VIPER BOOT

- Durable and lightweight
- Easier fit and removal
- Moisture management keeps feet drier
- Better grip, imcreased comfort and durability

POLICE / SECURITY / TRAFFIC

FRONT OPENING TRAFFIC VEST

- Front opening vest with plate in back
 - four point velcro opening to shoulders and sides
 - Extreme ballistic coverage to shoulders, front, back and sides
 - Kevlar overlaps at front to ensure maximum protection
 - Extremely comfortable front opening vest

 - Should the user require plate protection, the quick fit harness system can be used which holds the plates
- Option: Anti-stab - KR1 or KR2 combined with hand gun protection

HIGH VISIBILITY FRONT OPENING VEST

- Ultra Light anti-stab and ballistic armour system
- Removable machine washable cover
- Water Repellent and Flame Retardant Outer cover material.
- Special woven Inner "Comfort" material with intrinsic antibacterial properties.
- Simple Velcro closure
- Waterproof and UV proof armour panels
- Full freedom of movement
- Adjustable shoulders
- Full range of sizes for both Male and Female Officers

REFLECTIVE VEST

- Reflective Bibs - one size fits all - lime
- Reflective Bibs - With adjustable sides - orange & grey

TRAFFIC CONES

BEACON LIGHTS

SECURITY ACCESSORIES

BATONS

- Straight
- Tonfa (50cm)
- Baton Holder
- Riot Batons - 70 cm with strap

EXTENDABLE BATONS

- Extendable Batons - up to 500mm
- Advanced extendable baton - up to 660mm

HANDCUFFS

- Police speed cuffs - semi linked

- Model 65
- Nickel Plated
- Black Oxide

TACTICAL HOLSTERS

- Webbing only holsters

- Leather holsters

R5 LEGRIG

- R5 Legrig for ammunition

LEGHOLSTER

- Legholster for 9mm

GAS MASKS

- Gas masks + 1 x Canister
- Excellent facepiece-to-face fit
- High wearing comfort
- Good field of vision
- Good speech transmission due to position of exhalation valve
- The acrylic lens is specifically scratch resistant
- The 5-point harness permits quick donning and removal of the mask without previous adjustments
- The full face mask can be repaired and retained

GLOVES

- Kevlar Gloves
- Riot Gloves with kevlar
- Riot Gloves in leather

MAGLITE

- Maglite Solitaire & Selection of Torches

TROPHY CAM

- The Trophy Cam is a compact size camera utilising the most modern technology. It has a 1 year battery life using inexpensive AA Batteries. Models with LCD Screens have a zoom feature for enhanced review data. Each Camera can use up to a 32GB Memory card to increase the number of photos stored to over 20 000

HAND HELD SCANNERS

- Selection of scanners

WALK THROUGH METAL DETECTORS

- Free - Standing, Bi - directional operation

UNDER VEHICLE INSPECTION MIRROR

- 200 x 300 rectangular search mirror
- 300mm on Casters
- 200mm Adjustable search mirror

IMPERIAL ARMOUR PRODUCT LIST

HARD ARMOUR SHIELDS/ PLATES

BALLISTIC SHIELDS

- NIJ Level IIIA
- NIJ Level III
- Extremely Lightweight
- Options available:**
- Attachable lamp
- Identification Markings

CERAMIC/ POLYETHYLENE COMBINATION PLATES

- Ceramic combination plates must be worn with a minimum NIJ Level II soft armour to obtain Level III performance & NIJ Level IIIA to achieve NIJ Level IV performance
- NIJ Level III Ceramic Plates - Weight from 2.6 kg
