IMPERIAL ARMOUR – BOMB BLANKET

Overview:

IMPERIAL ARMOUR Ballistic Bomb Blanket provides a portable, flexible, light weight multi-purpose means of ballistic protection. The blanket was designed specifically to meet the rigors of Police and Military Life.

Features:

- ❖ Heavy duty nylon webbing loop handles makes the blanket easier to carry
- ❖ Rectangular cabin floor webbing provides multiple ancor points to enable cargo to be secured down.
- ❖ Blanket folds for compact storage
- ❖ Handles make transportation straight forward and deployment easy.

Size:

The average size of the Bomb blanket is 1.5mt x 1.0mt

Protection:

The Bomb blanket is available in a range of fragmentation levels all tested according to STANAG 2920
